#### Addition to the ADPICS PCHL5750-92 Table

`USP' (United States Postal Service) has been added to the ADPICS PCHL5750-92 table. When creating a purchase order, the user may enter `USP' in the freight carrier field when the item will be delivered by the United States Postal Service.

#### Deletion from the ADPICS PCHL5750-57 Table

On February 17, 1999, the Purchasing Specialty Advisory Group recommended that Purchase Discount `05' be removed from the ADPICS PCHL5750-57 table. This means that users can not use value of `05' on the ADPICS PCHL1500 (Invoice Header) in the "Disc Term" field.

#### Modification to the ADPICS PCHL5750-64 Table

The ADPICS PCHL5750-64 document type `DG' description has been changed; it can now be used for both direct vouchers and blanket purchase orders. It will be necessary to update your security to include document/document type BP-DG and CB-DG.
